## Campaign Progress: A major milestone!

We have spectacular news about the Christ the Cornerstone campaign to build a new St. Paul Catholic Center at UW-Madison - the halfway threshold has been met and exceeded since the start of the campaign in November 2012.

***The current campaign total is \$12,138,993!***

With a goal of \$24 million we are now over halfway toward our goal! Every gift that is given now leads us closer to the final goal than to this initial halfway mark. The foundation for this campaign is built, forged through the working of the Holy Spirit through many faithful supporters at all levels who sacrificially are embracing the impact of the Catholic faith alive, growing and changing lives at the University of Wisconsin-Madison.

To all of our supporters we say ***thank you!*** Let us embrace the second half of this campaign, let Christ and His Church shine at this prestigious university and let the University of Wisconsin-Madison, all parents, alumni and future students know that Jesus Christ desires them, enriches their mind and heart and calls them to Madison to become faithful leaders in the secular world.

We **NEED** your continued support and we are confident in our goal to not simply build a new chapel and student center, but thousands of Christ-centered lives to serve the world and the church for the next 100 years. The time is now to "run as to win" (1 Corinthians 9:24).

May God bless you and enlighten your hearts as we approach Holy Week.

Onward we go!

## ***Joey's Story:*** A Call to Holiness

This Easter at St. Paul's, **6** students will receive the sacrament of Baptism, **3** students will enter into full communion with the Church with their first Eucharist and Confirmation, and **11** students will receive the sacrament of Confirmation.

Students are, more than ever, recognizing the need for faith, a relationship with God, and authentic community as a vital part of their college years and St. Paul's is there to meet that need.

Click to [watch Joey's story](#) as he shares how the universal call to holiness and teaching others the faith has shaped his life.
