

October 2014

Major Milestone Reached!

On behalf of all the students and leaders of St. Paul Catholic Center, we share with great excitement that the *Christ the Cornerstone Campaign* to build a new chapel and student center at the heart of the University of Wisconsin-Madison has exceeded the **\$20mm milestone!**

We are excited to push toward the final goal and complete a project that will be a source of great joy, love, and support to thousands of university students for decades to come.

This project is a testament to over 100 years of incredible history on State Street, impacting countless lives in this time span. The success of the campaign displays the great level of support to expand our outreach and work through the construction of a beautiful new home to serve at this university for another 100 years.

Thank you and please pray for us as we work hard to conclude this campaign with gratitude to God and all the supporters of this great mission.

God bless you and On Wisconsin!
